

How to Talk to Your Racist Uncle

- Do you long for racial reconciliation and equality?
- Do you cringe listening to a racist joke?
- Do you wonder how to enter into the struggle and become an ally for ending racism?

**We invite you to come,
enter into conversation,
and learn together!**

Participants will explore how racism shapes American institutions, often without our conscious understanding that it is doing so. This series of workshops shows how the problem of racism is not a problem we created, but one we inherited and perpetuate everyday.

Angel Swanson leads a panel of speakers in this workshop series. A member of St. Matthew's Lutheran Church in Renton, Washington, she has taught this workshop to hundreds of participants through municipalities, schools, and churches.
