

## Join us in West Seattle for fellowship and the hands-on work of Habitat for Humanity!

Habitat for Humanity honors the role that faith communities play in building a better world. In our mission of building decent homes for all, we work alongside and serve people of all faith backgrounds, and celebrate the role many faiths play in building stronger communities.

**Members of all faiths are welcome!** Get together with members of many faiths to respond to our regional housing crisis. We strive to be an example of what we can accomplish when we work together.

### get involved with the build

Sign up for one or more of our build days — **October 12, 19, 29** — volunteer your time for build activities and interfaith learning while helping your community.

We are asking for groups of 5-8 people to make up the 25 person team each day. Volunteers must be at least 16 years old and we will provide all the tools, safety equipment, and supervision needed for the day.

### be a speaker

We would love to have a representative on-site from different faith communities to share for 5-10 minutes each about how their faith calls them to action and service to others.

### provide a meal/food prep

Sign up to prepare and provide a meal for the volunteers.

Provide and serve meals on-site for volunteers with enough to feed 40 people each day. We ask that food includes vegetarian options. This is a great way for youth to get involved.

Contact Angela Appleton, Director of Corporate and Faith Relations at [angela.appleton@habitatskc.org](mailto:angela.appleton@habitatskc.org) or (206) 866-7599 to organize a group, sign up as an individual, or if you have questions. Space is limited.

**every faith**  
can be put into  
action

**Would your faith community consider a financial contribution to support this project?**
